

BOAT LAUNCHING RULES

- 1) Privately owned boats will only be allowed on the lake during the off season, when the Boat Dock is closed. (dates to be posted).
- 2) During Recreation Center hours, boats are to be launched during posted hours and must be removed no later than sunset. (No overnight bank, storage or night boating).
- 3) Boat launch permits will be available at the Recreation Center. All boaters must obtain a permit, prior to launching their boat.
- 4) Permit valid for day of issue only. Permit must be with boat at all times.
- 5) Permits will be issued to CERA eligible members, employees or spouses only.
- 6) Boats must adhere to all State of Indiana rules and regulations.
- 7) Only rowboats will be permitted. No canoes or inflatable rafts. 12 volt or smaller electric trolling motors are permitted. No combustion engines permitted.
- 8) All passengers must wear a life jacket. (U.S. Coast Guard approved) Life jackets will not be provided by CERA.
- 9) Boats are to be hand carried for launching. Back in launching not permitted.
- 10) All children under 12 years of age must be accompanied by a responsible adult.
- 11) Horseplay or inappropriate behavior will result in permanent loss of launching permit privileges.
- 12) No swimming in lake.
- 13) CERA is not responsible for loss of property or bodily injury.
- 14) All other CERA rules and regulations apply.
- 15) A fee of \$1.00 per permit per day will be assessed.
